

Discernment Team Minutes  
Meeting #21  
November 29, 2007

All members present. The meeting began with prayer.  
Minutes of October 18 were approved. Minutes of November 1 pending.

Veritas Conference will take place Saturday January 12 from 9:30 to 3:30. Mark, Valerie, and Jeff plan to go. Steve needs to know asap if any other team members plan to attend.

The focus of the meeting was to consider all that each member had shared about their greatest hopes, dreams, fears and disappointments, and to look for convergences. What stands out, echoes, jumps out as important truth from our sharing sessions? What sense of God's leading do we have? What are the issues/questions, even though we may not know the answers yet? Discussion regarding convergences identified eight broad themes.

Next meeting:

We will discuss how to involve congregation in this process. What have we learned from our own process?
